SANDYSTON.

I beg H. L. Le's pardon for my re-
marks about the pay of Milford's
special policeman. The wages paid
him speaks well for that borough for
it is very evident that the wages
paid is in accordance with the work
required and that "there is not much
to do."

The election of three trustees to
replace those whose terms had ex-
pired in our school board was held
at Layton on the 18th. Very little
interest was shown as only six out of
thirty trustees showed up and only
eleven votes were polled. The mem-
bers whose terms had expired were
re-elected and the meeting adjourned.

The vendue of John A. Westbrook
at Bevans on Friday drew a large
crowd and household articles brought
fair prices. DeAtton kept business
humming as he usually does.

Can a commissioner of deeds take
affidavits in Jersey? is a disputed
question. Pamphlet laws of 1888
page 320 says they can and lawyers
say they cannot. The issue is, who
is right?

The "peepers" are singing, the
small boy is playing marbles, sure
indications that spring is here. Our
roads are drying up, hands on the
farms are taking their places, and
occasional loads of furniture are seen,
which are further signs of spring,
and, lastly, maple sugar is here.

The raising of Belgian hares seems
to have passed from the fad stage to a
practical business basis. Mrs. Geo.
E. Hersh has recently purchased a
lot of hares with royal pedigrees and
while this new branch at Pine Hill
Farm will be partly conducted for
pleasure yet the business will be
carried forward on strictly scientific
lines. As those animals are very
profitable and she now has thirty,
she will soon have a lot of them.
For those desiring a light business
combining profit and pleasure the
raising of Belgian hares presents a
tempting occupation.

Many comrades in this county are
interested themselves in organizing
a post of the "Union Veterans of
the Union" at Newton. The post will
be mustered in on April 1st and will
commence with a goodly number of
the old vets. All should join now.

It was interesting as well as amus-
ing to see how many were willing to
serve their country as road master
on Saturday last. The committee
was besieged from morning till night
to appoint the applicant or his dear
friend and as there was some extra
road money this year each wanted a
slice of it. The increase was pretty
small but it pleased them.

There is a strong probability that
the board of freeholders will be abo-
lished and the commissioners ap-
pointed in their place, and that will be
a righteous law. Now let our exist-
ing board of freeholders get a move
on and do what they can toward sup-
plying Sussex county with good
roads, McAdam, Telford or gravel.
Anyway to have good roads.

A Branchville correspondent to
one of our county papers is respon-
sible for the following: "A little boy
straight from Heaven came to the
house of Mr. and Mrs. E. Ward Spen-
cer last Friday." When I was
younger than I am now I was told
that the doctor brought the baby
but when I grew older I learned
better but to assert that they come
direct by telephone or telegraph from
Heaven that is—well, I cannot swil-
low that. It savors of Jonah and the
whale.

A day or two ago in traveling
along the river road I passed the
handsome new residence of Hiram
Hankins. Hiram was getting out
ties and being first we adjourned to
the house and was shown from cellar
to garret. The building is not yet
completed, but when it is Hiram will
have something that will please his
boarders for convenience and neat-
ness.

for many years. It deprived me
of sleep and I grew very thin. I
then tried Ayer's Cherry Pectoral,

Sixty years of cures

above have taught us what
Ayer's Cherry Pectoral

est cough remedy ever

so, too, after you try it.
There's cure in every drop.

The marriage of Miss Harriet S.
Allen, only daughter of Mr. and
Mrs. D. B. Allen of the Allen House,
to Harry Mulhensbrink of Port
Jervis took place on Tuesday eve-

ing at the parsonage of St. Peter's
Lutheran church by the Rev. R. C.
Wasson, the pastor. The cere-
mony occurred at 9 o'clock. Miss
Mary V. Squires of Matamoras was
the bridesmaid and Bart Goddaback
of Port Jervis was best man.

The ceremony was performed
with a ring, after which congrat-
ulations were in order. The bridal
party left the same evening for a
trip east to be gone about a week
and on their return will make their
home at the Allen House. Mr. and
Mrs. Mulhensbrink are both well
known in Matamoras and Port Jer-
vis social circles and their young
friends unite in tendering their con-
gratulations and wish them a long
life of happiness.

The J. C. E. society held a social
on Tuesday evening at the parson-
age. The little people had a very
pleasant time. Rev. and Mrs. Spen-
cer made it very pleasant for them.

There was an Easter tea at Ep-
worth church Thursday evening
under the auspices of the L. A. S.
George Martin from New York
spent Sunday in Matamoras.

Mrs. M. Bonnell on Cookson
street, who has been ill, is improv-
ing.

Mrs. Joseph Wilkin, who has
been ill, is somewhat better.

Jeff. Ketchum of this village has
obtained employment in Jersey City
under the Erie management.

Mrs. Ed Lord on Cookson street
returned home from Lordville on
Wednesday evening.

Chas. Lord of Lordville is visiting
his brother, Ed Lord, on Cookson
street.

Rev. G. T. Curtis of New York
city spent a few days last week
with friends in Matamoras.

Palm Sunday services were ob-
served in St. Joseph's church on
Sunday evening. There was a large
attendance.

Miss Edna Van Aken, a teacher in
one of the grammar schools of New
York city, is home for the Easter
vacation. She was accompanied by
a schoolmate friend from the Brook-
port normal college, Miss Blanche
Vandermark, of West Janus, N. Y.

Prof. Houck's entertainment at
Prescott's hall, which was to have
been held on last Friday, will take
place on Saturday evening of this
week. All friends are invited to be
present.

Mrs. Horace Van Gilder, who has
been spending the winter at Pater-
son with a sister, returned home on
last Thursday. Mrs. Van Gilder
was within two blocks of the Pater-
son fire, where her sister's residence
is located.

Miss Anna Feller, Misses Lizzie
and Constance Driller, all of Mat-
amoras, were confirmed in the Luth-
eran church of Port Jervis on Palm
Sunday at the morning service.

Get the Best
People that buy are entitled to
the best and in the long run the
best is the cheapest. When you go
to a druggist to get some cough
medicine ask for Mexican Syrup,
the nicest tasting and quickest cure
for coughs and colds, and a proven
remedy for consumption. Read
testimonials on wrapper around a
twenty-five cent bottle.

Ignorance No Good Excuse.
A mother has no right to be ig-
norant of symptoms that tell as
plain as day her child has worms.
She should know when the child is
pale, looks sickly, acts tired, seems
peevish, has sunken eyes and a ner-
vous expression, that worms are the
cause. A safe, unailing and nice
tasting remedy is Mother's Worm
Syrup. Only twenty-five cents a
bottle, and so good that children
ask for more.

Good Health.
A person generally enjoys good
health, whose bowels are accus-
tomed to easy evacuation each morning.
If bilious or constipated, use Gooch's
Mexican Root Pills. They help but
never gripe or weaken.

The Happy Man.
The happy man is he who knows
what he ought to know, and who
knows Gooch's Quick Relief cures
internal ache and external pain, in-
stalls on his druggists keeping it for
sale. Price 25 cents a bottle.

Blood Poison.
As the virulence of blood poison
increases, sores may break out any-
where, every nerve and bone may
ache, the skin peel off in patches,
the hair fall out, and the nervous
system become shattered. The use
of Gooch's Sarsaparilla will at once
lessen the activity of the disease,
and eventually drive it entirely out
of the system. Buy a bottle and
read the many testimonials of cures
printed on its wrapper.

Pile-iss Cure Pills!
Money refunded if it ever fails.
ANTI-DOSE cures chills and fever.

was drawing a pension of \$8 per
month. Directly after his death his
widow offered a Newton party \$10 to
get her husband's pension for her.
He succeeded and with the first
voucher for \$29 back pay came a
check of Mile Stevens & Co., pension
attorneys of Washington, for a fee of
\$25, which with the \$10 paid the
Newton party, puts the old lady in
debt. Rather hard lines for her and
the case is being investigated.

Does anyone know how many
books there are in the school rooms
of this town and where they are lo-
cated? Five hundred dollars was
voted for school purposes at the last
school meeting and hundreds have
been expended for the purchase of
books and now more are needed.

An account should be made of all
books purchased and when distrib-
uted the schools receiving them should
be charged with them, but I under-
stand no record is kept. The people
are beginning to ask where does all
this money go.

B. B. Hursh of Hainesville has
sold his home farm to Martin Cole
of Montague for \$95 per acre. Mr.
Hursh proposes going west, and will
dispose of all his property here be-
fore locating at some point in the
far west.

Mrs. Becky J. Snable, wife of
George Snable of Hainesville, died
at her home on Friday last. She
was survived by two sons by her former
husband, Ephraim and William,
both of Hainesville, and one daugh-
ter, Miss Kate, at home.

Last week the Sussex Record came
out with a new heading, The Newton
Record, and the editor evidently
thinks there is a little too much
"Sussex" in Sussex county, hence
the change. It is somewhat strange
that Duckertown should be changed
to Sussex, when almost every person
I meet thinks it should not have
been done and I guess the public
generally thinks so too.

Years ago western eggs were
quoted much less than Jersey but
now they are even if not ahead on
quotations. Have Jersey eggs be-
come smaller that they should be
quoted less than western? Probably
that is the reason.

MATAMORAS.

The local institute on Saturday,
organized by Prof. Houck, principal
of the Matamoras high school,
opened the morning session at 9:30
o'clock. The meeting was opened
by a song by the audience. Miss
Florence Rochotte presided at the
organ. This was followed by pray-
er by Rev. T. G. Spencer, pastor of
Epworth church, and singing again,
and then came the election of offi-
cers as follows:

Vice president—Miss Rochotte.

Spindel.

Miss Lansbery, training class
teacher of Port Jervis high school,
was in attendance. She made it
very interesting asking questions
and answering them.

Howard Allen said that slates
and pencils should be broken to
pieces and not used in schools.
Paper and pencils should be used
instead.

William Spindel gave some in-
struction in penmanship on the
blackboard. School Commissioner
Kaufman made some excellent sug-
gestions. Prof. Houck is deserving
a great deal of credit in getting up
the local institute. It proved to be
instructive and interesting.

The following teachers from out
of town were present:

Milford—Misses Rochotte.
Rowland—Miss Stella Smith.
Mill Rift—Howard Allen.
Hawley—Miss Louisa Langan.
Woodtown—Miss Phoebe Wells.

thal.

and his pupils will give an enter-
tainment at Prescott's hall. All
